### **Round Bar Backrest Insert**

Read instructions carefully and completely before installing your new Backrest Insert.

- 1. Remove the three screws retaining the pad.
- 2. Place the insert on the back side of the sissy bar.
- Reinstall the screws clamping the sissybar between the pad and backrest insert. Tighten screws firmly, checking tightness after a long ride.

\* Cobra recommends you always wear a helmet while riding. Please never operate your motorcycle while under the influence of alcohol and/or drugs. Enjoy the new look of your motorcycle and please ride safely.
